

It's me again, but now I'm the only Mat in Cardiff SSAGS and am a 3rd year student and graduating this summer. God knows why I'm running a second time but I am. For those of you who don't know I was treasurer last

year and want to run again this year and as such I'm not going to bore everyone again with my background(but last years manifesto is available on request if you want to find out). Let's just say I've been involved with scouting since I was 6 and am currently an ASL with a group in Cardiff.

I hope over the last year I have been a good treasurer and haven't made too many errors and as such you want me to do the job for another year. Although I graduate this summer I

am planning to do my PGCE so will still be a student next year, although a very busy one. I am hoping that I will still have enough time to devote to my SSAGO duties. I also want to carry on as treasurer because of some of the policy that is being brought in such as the changes to how national accounts are budgeted and how the merchandise is managed. So in this term as SSAGO Treasurer I hope to:

- Bring in the central bank accounts for all national events
- Set up the merchandise manager position so that merch orders are more quickly dealt with
