

Club Reports 1994

Bath

Numbers have dropped but average attendance has risen. Activities have involved bowling, silly games, and planning for the rally which takes place weekend 24th-26th February at Chelwood campsite. The theme is Roman so get your Togas on.

Birmingham

Fresh went well and they have 33 members so far, have had a fresh camp and hike both of which were well attended.

Bristol

Members down but average attendance is up. The usual overnight incident hike for Guides and Scouts took place and other activities including bowling, night hike and the usual stuff.

Cambridge

Basically, climbed every 300ft peak in the South East most of them by car!

Coventry

Membership is up. They toured Snowdonia in caravans. (Wimps!) Paul suggested sending postcards to the person in charge of transport in order to secure use of the minibus.

Derby

See to have gone from bad to worse with only four members although have a list of 20 showed interest.

Exeter

35 members have had a trip to Dartmoor among other activities. Plugged the autumn rally which David says is going to be the warmest autumn rally on record. (It is in Torquay!!) And will be by the seaside rally.

Glamorgan

First term spent organising the rally but attendance was on the top and most of their new members were at rally.

Lampeter

Members same but attendance up. Their union have approached them to join the SCA programme giving them higher public profile. This term the club have helped with the Glamorgan rally.

Lancaster

65 members and have taken them on hikes with the usual meetings taking place.

Leeds

55 members and have improved attendance by making the Monday lunch time meeting more exciting with silly games and food. Other activities have included a hike on Ilkley Moor, fireworks and trivial pursuits among others.

Leicester

40 members. Fresh rally with Derby didn't happen due to lack of support. A successful trip to Alton Towers was undertaken along with other events such as quiz with the local Ventures. A plea was made for the safe return of their mascot since the ransom has been paid. They are also going to appeal to their union since their grant has been cut/stopped. Backing was offered by the committee if it proved necessary.

Loughborough

Had Fresh camp, laser Quest, night hike and membership remains unchanged.

Newcastle

They have had a very interesting term. The chairman was voted out of office on a vote of 'no confidence' and average attendance is only three. However they do have a new chairman and their activities have included jelly parties and Halloween parties.

Nottingham

Membership down but attendance up. Activities include bowling, swimming and night hike on which some of the members got lost. We are told they have safely returned now. Planned events include a challenge night, a visit to the opera and skiing.

Portsmouth

30 freshers and attendance is increasing. Activities included cinema visit but main concern at the moment is that they have no site for summer rally. Has anyone ideas.

Reading

Currently only 3 members and are looking for recognition from their union for which they need 30 members.

Staffordshire Indies

We are told they are having a fun time!

Sunderland

Also their first birthday and they were equally congratulated. They now have their own neckerchief colours, those being green and black.

Activities included cinema, pizza, trips to Moroombe and they are please to say their numbers are increasing.

Surrey

It was Surrey's first birthday and they were congratulated. They organised a Queen's Scout expedition to Dartmoor. Membership is increasing and things are going well.
