It's still cold. The sun continues to make a regular appearance: we have hailed it a miracle. Our wonderful new treasurer continues to do a wonderful job. We planned the term recently, trying to include a range of interesting and paid/free activities, which a large majority of our members were happy with. This includes a Syrian themed dinner to raise awareness for refugees, a couple walks along the coast (because we have one of those) and even some pottery (Ghost style ;- google it)

Highlight

Highlight would have to be the end of exams. Oh wait you meant for the club as a whole? Probably the same tbh.

The walk up Pen Dinas was successful, and we completed our goals of having fun and making people laugh.

Refreshers

We made an appearance at the refreshers fair which was (thankfully) held inside. Managed to gain a couple members!

Looking Forward

Members have expressed a particular interest Ball! We're all excited to host you!

Also March, because that's when the dissertation deadline is.

So far this term, BUSAG have been out on visits to Thinktank, our local science museum, and Cadbury world as well as doing various crafty bits and quizzes in our students union. Our best social so far has probably been our chip shop walk where we went out and rated the chips in all of our local takeaways so if anyone's ever down in Birmingham and needs some advice let us know!

Highlight

Our highlight this term has been our third annual Big BUSAG Breakfast which this year featured a birthday twist to celebrate our 90th anniversary, meaning not only did we make a huge breakfast but cake too! Various party games were also played as well as our traditional scavenger hunt and a really great campfire.

Looking Forward

We've got a couple of interesting events coming up! Our next bigger event is a film night/sleepover that's going to be held in a local scout hut and will feature lots of food and blankets. Then looking forward to the summer we're off to Edinburgh for our summer trip which will fit nicely with summer rally and then we're already getting excited for our rally in November

Club Activity

This term started with our annual winter camp, this time in the Chilterns and saw a mix of hiking board games and a trip to Oxford to play mini golf. We also had 5 members at winter camp helping with SSAGO and local groups. Since then we've had a film night, gone bowling and held our annual dinner.

Highlight

Hosting our annual black tie dinner at the Royal Cambridge Hotel, with a talk from assistant chief guide Emma Guthrie and our club's president Rod. We also handed out a range of traditional awards to commemorate events over the last year.

Refreshers

No refreshers fayre at the University.

Looking Forward

This term we've still got events from pioneering to pancakes, as well as our AGM to change over committees. We're also organizing Forward, an annual incident hike for Scouts and Guides, we're looking forward to welcoming over 200 young people on the 9th of March!

Club Activity

Since last rally we have done lots of different socials, including a Christmas dinner, bowling, a pub crawl and a hike. The pub crawl and the hike were both give it a go events and both were quite successful. We have also gone on our annual post exams winter camp, where we went for a very long walk in the rain, had a campfire in the rain but otherwise chilled inside to recover from being out in the rain.

Highlight

The lovely Christmas dinner.

Refreshers

There aren't any refreshers fairs, but we did run some give it a go events which were both successful and hopefully we have gained a few new members.

Looking Forward

We are going to be running a DofE practise expedition around Easter and then the assessed one in summer. We are also looking forward to running some socials which are a bit different from what we normally do, such as outdoor cooking and a pancake day house crawl.

Club Activity

This term started with the Refreshers Fayre which was a great success. Before hand we met for breakfast before heading to union to set up our amazing stall! We have also attended a pub quiz at a local pub and next week are having a games night along with our AGM.

Highlight

The refreshers fayre as we managed to get several new, keen members plus the meal before was fab!

Refreshers

Yes - we used the promotional material sent from SSAGO as well as sweets

Looking Forward

Possible camps/ more outdoor activities as the weather gets nicer.

Club Activity

SAGE have had a variety of socials this term. We kicked off with a classic... Weatherspoons brunch! We were even lucky enough to be joined by a visiting SSAGO member (Harry Bradbury). Since then we have had a murder mystery evening, glow in the dark night (yes, this was as incredible as it sounds), a pub quiz in the snow and a night of pizza and cider at the Stable. We also have a trip to Oxford planned in a few weeks to escape Exeter for the weekend and visit one of our graduated SAGE members.

Highlight

It was all great, but I think the highlight for everyone was glow in the dark night. Oh, and when Basil won 'best mascot' at a local pub quiz.

Looking Forward

Looking forward to celebrating our 10th birthday in June. Keep your eyes peeled for invites!

Committee

Club Activity

Hull ssago has been quite quiet since last rally, we have had a few relaxed meeting. A number of the hull ssago have been increasingly involved with the local network, and some of our members when camping with them In January.

Highlight

Highlight of the term was going bowling, this was the first meeting back after Christmas an was particularly nice to meet up with every one after the charismas break.

Looking Forward

Hull SSAGO is looking forward it's AGM which is coming up in the next few weeks, and seeing where the club will go in the future.

Club Activity

Since Lancaster Fantasy Rally we had a go at our Brownie Baking badge and had our annual Christmas meal. After the Christmas break we held an icebreaker evening with games for members who joined at Refreshers. We had a pizza and mocktail night, and did a paparazzi photo challenge.

Highlight

Our highlight was the Christmas meal. We took 22 of us to a local restaurant - a huge number compared to 14 in the previous year and 6 before that!

Refreshers

We attended our Refreshers fair and gained a few new members. We used our semester plan as flyers with the National SSAGO business cards attached. It was our most successful refreshers fair in the last three years!

Looking Forward

Coming up, we have a non-committee night, a chance for our members to run an evening. We also have planned for a local dance teacher to teach us a street dance routine and of course our annual Easter egg hunt! In the summer 19 of us are going to Burg Rieneck, a Scout and Guide Castle in Germany. We are planning on doing lots of exciting activities while we are there, including abseiling off the castle tower!

Club Activity

Kernow SSAGO is doing well. We have worked out we have 8 regular members, many of whom are first year students. Lots of our members seem very keen, and have even started bringing along coursemates and flatmates. So far this term we have had a monopoly run around campus, a meet

up at the campus bar, and have been pottery decorating.

Highlight

The monopoly run went well and we managed to have a few new faces.

Looking Forward

In the next few weeks we have planned a hike for Thinking Day, and also have plans to go climbing. As we do not have any new members going to Rally, the committee are planning on really promoting Ball and trying to get a group of us going to it, particularly as it will be in the Easter holidays so people may be able to get there more easily. We are also hoping that a group of us will attend Scot Rally, and maybe spend an extra few days up there seeing Scotland. The club is very excited to get neckers!

Picture

Suggestions

I think there probably needs to be more support and guidance from the National Exec to new clubs. I think making the current factsheet more detailed may be a good starting point.

Club Activity

This term has been a fairly busy one, with weekly socials running well. We have had quite a good turn out and managed to retain a good number of freshers. Highlights from our weekly socials have included a casino themed cocktails and mocktails night which was very popular, Outlaw Crafts before Rally, and a Superhero themed Film and Pizza night. Who doesn't love a pizza?

Highlight

Highlight this term would be the Alumni sleepover - with a great turnout and some amazing Chinese food (YES PLEASE).

The attached photo is from Chester Zoo, where we went on Freshers Camp.

Refreshers

We did go to Refreshers Fayre this year, and although I don't think we managed to attract any new members, I think it is always a good idea to attend to remind people of the society and ensure we make the most of any publicity opportunities.

Looking Forward

We will have our elections for our new Exec in the next few weeks - which is always exciting to see what new ideas they will have and different ways of making the society grow.

Obviously Summer Camp next term will be a great event and we are looking forward to planning that too.

This term has been super busy! With our first every RALLY (thank you nottingham!), winning Lincoln SU Society of the Week TWICE, and working towards out Lincoln SU Feather Awards!

Meeting wise, we've had:
 Volunteering Skills Night
 Traditional Skills Night
 Socials
 Chinese New Year
 World Thinking Day Celebrations
 Come Dine with LUGS Social

Highlight

The highlight of our term was attending RALLY! We had lots of fun, and learnt lots about SSAGO!

Club Activity

This term the club has held weekly meetings including film nights, badge work and will be hosting our annual Wales night next week in which we are inviting the boardgame soc. Outside of our weekly meetings, the club has held socials such as weekly lunch socials, bongos bingo and we have planned trips of both bowling and sailing.

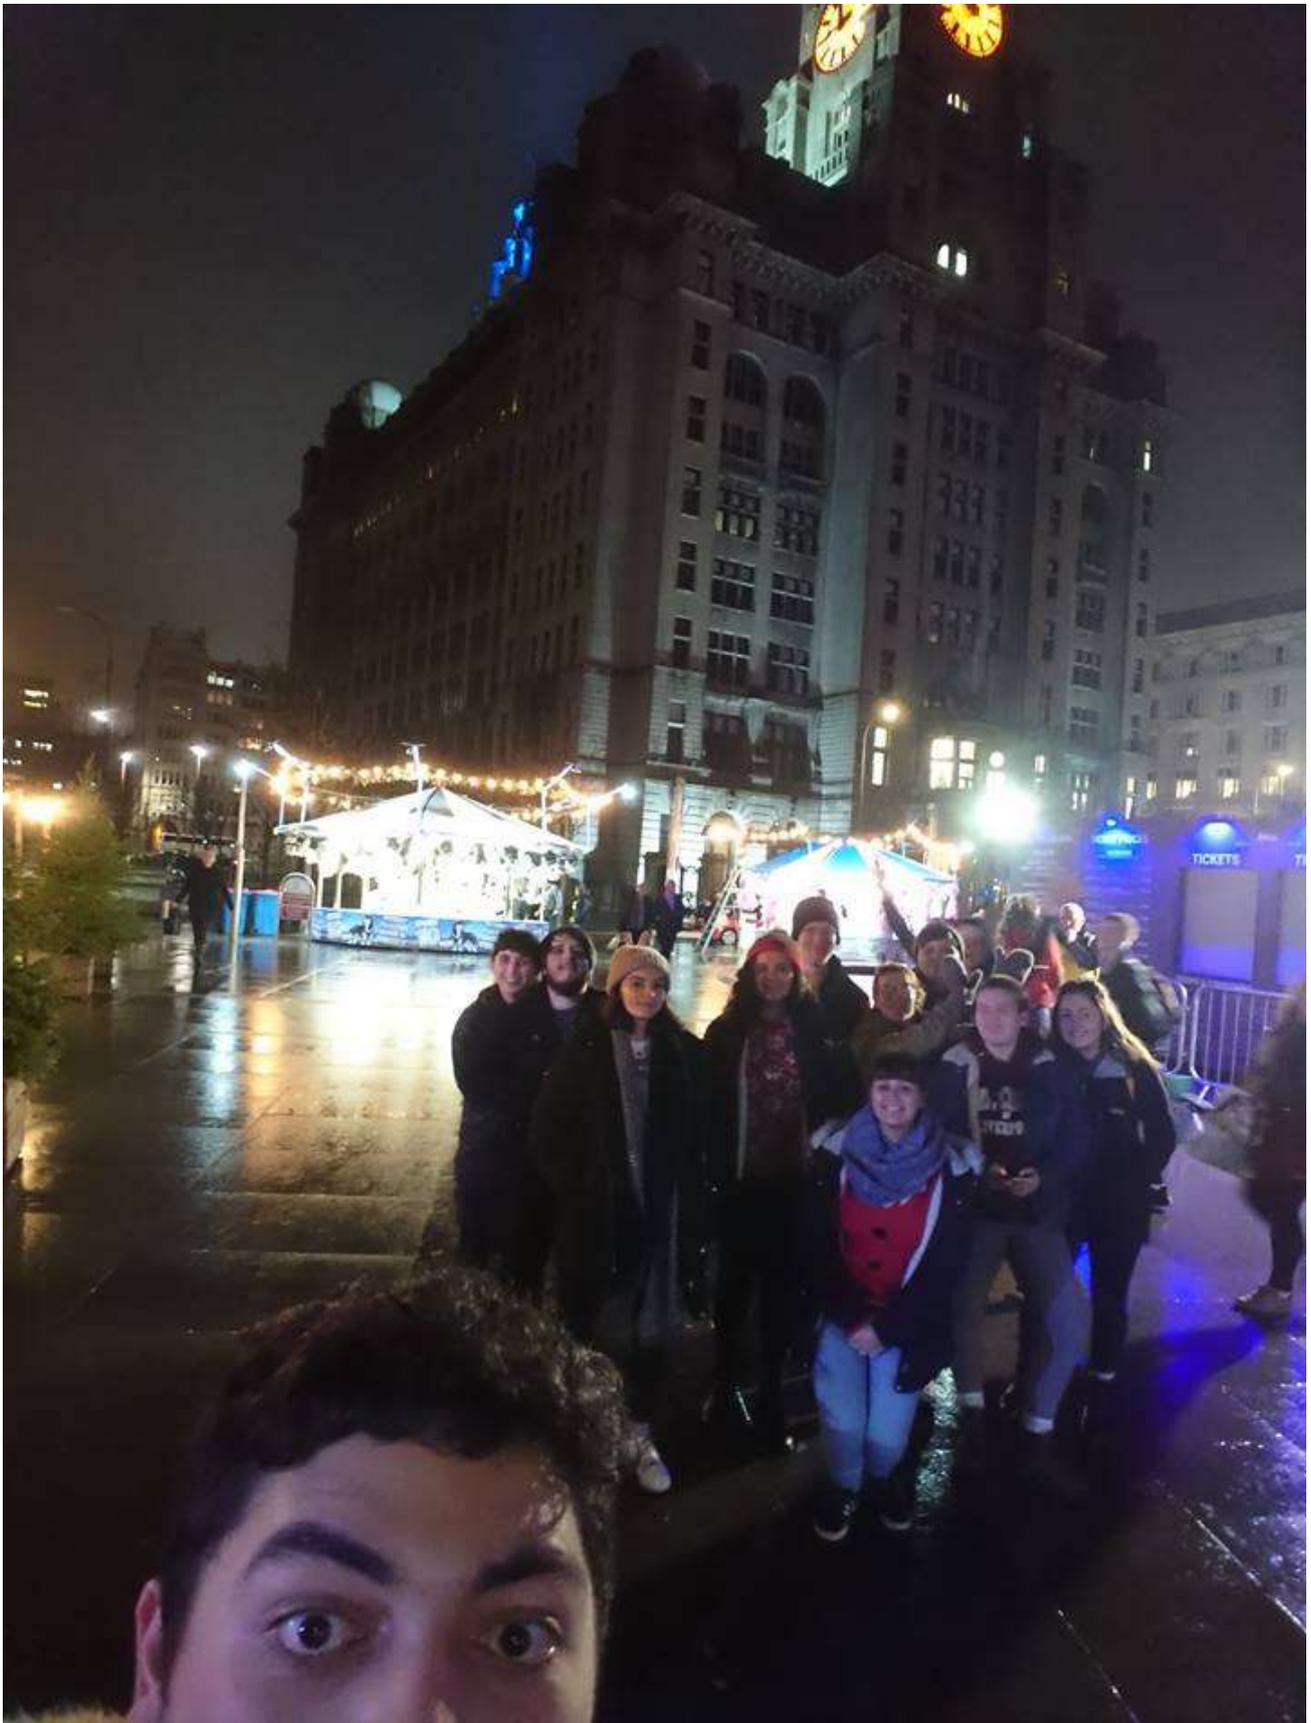

Highlight

The Wales night has always been a big hit within the society and all of our members are looking forward to next week. other highlights from this term include our beaver creativity badge night as all members of scouting love a good badge!

Looking Forward

the upcoming rally is always exciting times for members and this term will hold the first time the society has gone sailing with the universities sailing club. The club will also be holding our AGM in March to elect next years committee, this will be a very interesting night of nominations speeches and AGM bingo before heading to the pub to celebrate the elections.

Club Activity

PLUGS have continued our cycle of Active, Drinking and Quieter Socials. We've been climbing, snow tubing, video gaming and making our own mascots. And the infamous PLUGS drinkers badge of course, with a pre drinkers hike on Dartmoor beforehand.

Highlight

Having two very well attended events was a highlight, one even being a record for a PLUGS Social (we think). We had 30 attend for our Christmas Meal and 40 attending for Drinkers Badge.

Looking Forward

We have Go Karting coming up in the next few weeks, always being a popular social. We'll continue to improve our adventurous programme with more hikes and a wild camp on Dartmoor is in the works.

Club Activity

In the latter parts of 2018 PUGS also organised many adventurous activities such as an Ice skating evening, and a trip to the high risk board game cafe. So far In 2019 PUGS have done various activities such as a pub quiz and a beetle drive most of these culminating in a trip to the local spoons.

PUGS has also continued having a presence at all national events the most recent being Nottingham Outlaw Rally, and there is already growing interest in attending Aber does ABBA ball in April (the membership is also very glad to hear that most of the national events for 2019-2020 will mainly be based in the South).

Highlight

This terms highlight for PUGS would be winning the Gadaffy plate at Nottingham Outlaw rally. This was achieved through several minutes of practise for the cardboard box challenge, and great flexibility on the part of some select members of PUGS. Although this was a great achievement we would like to take the opportunity to commend BUGS (Bath) on being a worthy adversary. We look forward to see what interesting challenge someone has in store for us in the future.

Looking Forward

PUGS in the upcoming year will be attempting to run more extra activities in addition to the weekly meeting such as the ever popular Eurovision final night and new for 2019 St. Patrick's day whilst running weekly meetings which the membership enjoys and gives us excellent feedback to run the best programme we can.

As a group we are looking forward to hosting this years South West Freshers camp and hope to grow and strengthen bonds to our local clubs in the region to perhaps run more region events in the future.

In the 2019-2020 academic year we will attempt to grow membership numbers again for the third year in a row. We will work with the new and current membership to expand the horizons of the group to allow for the potential of running for a national event in the next few years.

Solent SSAGO

Committee

Club Activity

Solent SSAGO have done a lot this term! We started the year with our Freshers Camp which members fully enjoyed with many activities including a game of dodgeball. We have also done lots of activities including (but not limited to): trampolining, bowling, crafts, winter camp, open mic night, donating, pub quiz, film night, VR night, games night, ice skating, baking, Christmas meal and more.

Highlight

A majoring highlight was donating and a spontaneous trip down the M4!

Refreshers

We have been involved in refreshers and using the national material to promote our club. However we are planning to rebrand this summer and will have brand new material to share.

Looking Forward

We are looking forward to our first big trip away to Wales to do Zip World!

Club Activity

Since the last rally we have had our Christmas meal. had a baby shark theme social (baby shark do-do-do-di-do) ,

We enjoyed a trip to the Pantomime. During our exam period we had a number of reflexing socials such as jigsaw puzzles, films and a trip to sprinkles. After the exam period we celebrated with a week of socials including an evening of making all of the things you can make with Lemons. We also deleted the national chair from SSAGO, and planned a rally

Highlight

Christmas meal, it's always a good social and we always have a good turn out

Refreshers

We had 2 refreshers fair, they were poorly attended due to poor promotion by the students union. We just had leaflets like normal people

Looking Forward

We have an international trip in Croatia in the summer

Club Activity

Revision breakfasts, weekly pub socials, a cocktail party, hosted a quiz for our local Scout Network (Gromit) and SaGUWE, and had another big campfire.

Highlight

Witnessing SaGUWEs failures at mascot stealing.

Refreshers

Both refreshers and our SU volunteering fair - celebrated our 97th birthday at refreshers so had plenty of balloons and sweets!

Looking Forward

At the start of March we're running "Kohoutek" (a Scout/Guide activity day run jointly with SaGUWE) again. We currently have just under 50 teams signed up so are expecting a good ~300 people about during the day.
