

SSAGO

Student Scout and Guide Organisation

Want to: socialise, drink, go on camps and weekends away, meet people from other Unis, go ice skating, bowling, walking, climbing/abseiling, to the cinema, out for meals, on pub crawls, canoeing, archery, play silly games, eat pancakes, have BBQ's, join in Scout Network activities, help in a local Scout/Guide group?

Enjoy doing any/all of the above?

Join SSAGO

We do it all and more!

We are a nationally recognised, non-uniformed part of the Scout Association and Girlguiding UK

You do not need any experience of Scouting/Guiding to join us - everyone is welcome - just an interest in having fun, adventurous activities, putting something back into the community and meeting new people.

Your local club will meet often, and we also meet regularly with SSAGO clubs from unis all round the UK for national events.

We can put you in touch with a local unit if you wish to continue Scouting/Guiding in a more traditional way – this is an ideal and fun way to complete the service criteria of awards, including Duke of Edinburgh.

For more information contact

or visit our website at
